FACT SHEET

VU –VTI Admission Drive

Feb 2020

In 2020, TF's approach the community with unique idea by raising awareness campaigns and collected the data for enrollment by conducting different meetings.TF has initiated an enrollment campaign at SUI for a week. The main objective of the campaign is to motivate more students for provision of skill-based trainings and for higher education.

Field staff and TFHO representative Mr. Hussain has started the campaign by conducting meeting with teachers, students, local community and youth to provide awareness regarding the importance of skill based training and education offered by VU at their door step.

Attendance sheets and registration forms filled by the participants and are in excel format.
